DIRECTIONS IN AND AROUND NORTH SHORE UNIVERSITY HOSPITAL

OUTPATIENT REGISTRATION (REGISTRATION FOR XRAYS AND LAB WORK)

Enter main hospital entrance (directly across from parking garage). This will be the Monti Lobby. Pass the security desk. Go to the end of the hall, make a right. Outpatient registration is the first door on the left.

PRE-SURGICAL TESTING (PST) 562-3722

Enter main hospital entrance (directly across from parking garage). This will be the Monti Lobby. Pass the security desk. Go to the end of the hall, make a left. Walk past two sets of elevators and halfway down the mirrored hallway. PST entrance will be on your left.

SAME DAY ADMISSION (SDA)

Enter main hospital entrance (directly across from parking garage). This will be the Monti Lobby. Pass the security desk. Go to the end of the hall, make a left. Walk to Monti elevators, take to second floor. Follow signs to SDA.

RADIOLOGY (XRAYS & CT SCANS)

562-4825

Enter main hospital entrance (directly across from parking garage). This will be the Monti Lobby. Pass the security desk. Go to the end of the hall, make a left. Walk past two sets of elevators and through the mirrored hallway. Make a left at the next information desk. Entrance to radiology will be on the left. The registration desk is halfway down the radiology hallway on the left side.

MRI

562-3191

Enter main hospital entrance (directly across from parking garage). This will be the Monti Lobby. Pass the security desk. Go to the end of the hall, make a left. Walk past two sets of elevators and halfway down the mirrored hallway. Make a right. Follow signs for MRI Reception (it will be after the Rust Auditorium and Medical Library).

PET SCANS (BOAS-MARKS RESEARCH CENTER)

562-1055

The Biomedical Research building is next to the main parking garage. When exiting the Monti Lobby toward the garage, make a right (heading toward Community Drive). The building is on your left, before Community Drive. Check in at the security desk.

CENTER FOR NEUROPSYCHOLOGICAL SERVICES (NEUROPSYCHOLOGY TESTING)

562-3054

This building is located in the Community Health Center at 400 Community Drive. Take Community Drive towards the Long Island Expressway. Take entrance #5 and park in the parking lot. Enter the building, make the first right at the top of the steps. Look for "Neuropsychology".
